

CANCELLATION NOTICE

LF 486, Quarterly Facility Self-Inspection Checklist (Office Work Area) (Rev. Oct. 2006)

Cancelled effective 08-30-07.

LF 486, Quarterly Facility Self-Inspection Checklist (Office Work Area) (Rev. Oct. 2006), was the tool used by Facility Coordinators and Facility Safety Heads to conduct office work area quarterly self-inspections for OSHA compliance. This form is no longer required because the implementation of LF 217, Supervisor's Monthly Safety and Health Audit Checklist (Office Work Area) (Rev. August 2007) covers the information that was addressed on this form. Because inspections are done on a monthly basis by supervisors, use of LF 486 to conduct quarterly self-inspections was found to be a duplication of effort. The form is obsolete and is officially cancelled.
